

HRS HISTORY REVISION

LOYALTY CARD

RENAISSANCE MEDICINE 1500-1700

Create a poster comparing ideas about the causes of disease in the Medieval and Renaissance periods. Make sure you include ideas that continued as well as new/old ideas.

Create a set of dominoes of key words from this unit. You must make a minimum of 12 cards.

Create a leaflet for three key individuals in medicine in the Renaissance period—explain what they discovered and assess their impact on medicine. Give them a significance rating.

YOU MUST COMPLETE AT LEAST 1 OF THESE ACTIVITIES AND SHOW THEM TO YOUR TEACHER.

BRONZE; Complete the highlighted task only.

SILVER; complete any 2 other tasks

GOLD; Complete another 2 (ie 5 tasks in total)

Create a timeline (using only pictures) of treatments throughout medicine—be sure to label clearly the different periods

Get a picture of a plague victim in 1665—around it write up the changes & continuity in treatment, prevention and care—make sure they are colour coded

Create an A4 advert explaining the role of the **Royal Society** and its **impact on medicine**
