

## Promoting sustainable travel

Helena Romanes School believes that promoting sustainable travel is important. Travel undertaken in sustainable ways helps avoid some of the negative effects travel has on the environment, including the emission of carbon into the atmosphere through air and car transport, as well as damage to the natural environment and local culture.

As such, we would like to draw your attention to the following options available to both you and your children this summer:

Walking

[OS Maps](#)

Cycling in Essex

[Local maps and initiatives | Essex County Council](#)

[Cycling in Uttlesford](#)

Rail travel for parents with children - discounts and ticket prices information

[Train Travel with Children | National Rail](#)

Money saving tips and Essex Travel App
